

ECLIPSE SMART-HEAT® ELECTRIC

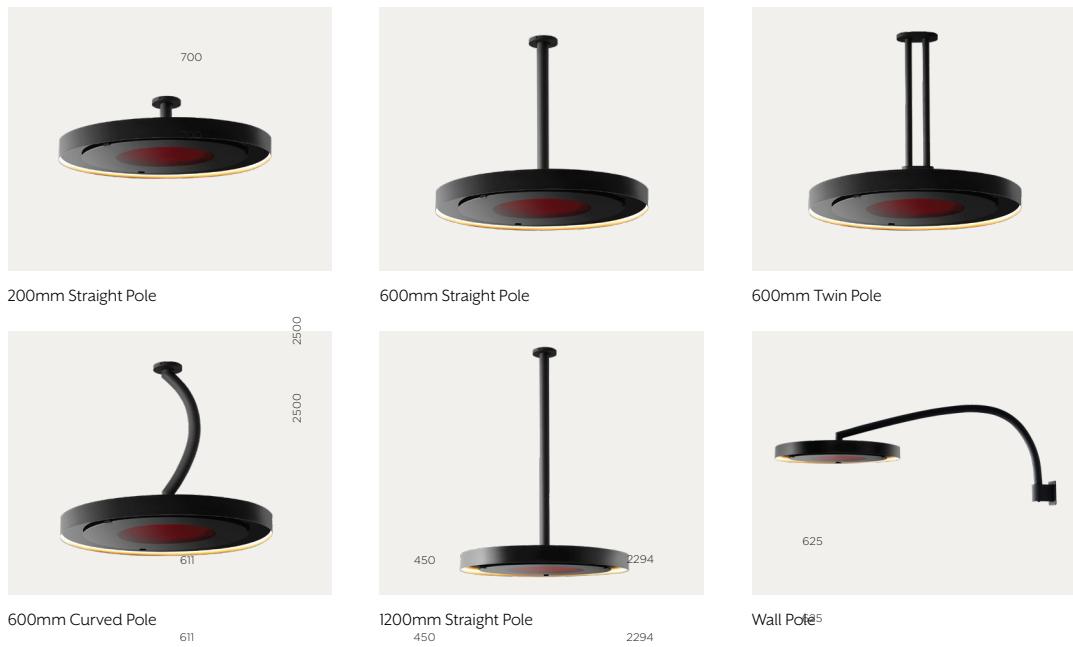

KEY FEATURES

- **Dual Functionality:** Combines efficient radiant heating with a dimmable LED lighting allowing a seamless transition from afternoon to evening while enhancing ambiance.
- **Contemporary Design:** Features a modern pendant design with a contemporary matte black finish and radial ceramic screen.
- **Flexible Mounting Options:** In addition to the complimentary 600mm Twin Pole, the Eclipse Electric can be paired with five other striking pole designs, including wall mounted and ceiling mounted options, to suit various outdoor settings.
- **Adjustable Heat & Light Settings:** Included controller with wireless remote offers three different heat (33%, 66%, 100%) and incremental light outputs, providing customizable heating performance and ambiance.
